

When it comes to food, it's our mission to serve a product that continually exceeds expectations. We're not a "tear-open-a-package" or "open-a-can-and-pour" house. We start by using as many

FRESH

products as possible. We make our own chicken fried steaks, biscuits and gravy, cook our own spaghetti sauce and soups daily, and buy only **USDA choice and prime grade beef.**

Our research tells us that no one else in the area is doing what we do to make your dining experience the best possible. If for some reason we do not live up to the above, please let your server know and we will take care of it immediately.

Thank you for visiting Winners. We hope to see you again, soon.
